WINDLOCK™ 652 Series Doors

Take a good look at the newest Windlock series roll-up door from US Door & Building Components.

It leaves the competition without a leg to stand on when it comes to all the features of the #652 Windlock series roll-up door. It has all the finishing touches you could want

from pre-finished hot dipped galvanized steel, heavy duty 1^{5/16}" steel shaft, 12 gauge structural steel mounting brackets and the industries first nylon Windlock.

Trust only the most experienced roll-up door manufacturer when it comes to smooth operating strength and beauty. Available in 22 standard colors, the #652 is a "roll-model" for the industry offering unsurpassed strength and beauty in the face of hurricane force winds.
